*Note: Includes accidental activation, burnt food, good intent, system malfunction, malicious, etc.

Other July notes: As in the past, on-duty fire personnel, assisted by other City staff and all under the direction of Division Chief/Fire Marshal Rolland Crawford, patrolled Loma Linda's streets and neighborhoods during the evening of July 4 to head off any major problems caused by the use of illegal fireworks. Also, as started last month, personnel continued with our drowning-prevention public information program. We were sad to see Firefighter Apprentice Patrick Brown leave us on July 8 to take a full-time position with the Hemet Fire Department, but we certainly wish him well as he moves on into his fire service career. Oral interviews to replace Patrick were conducted on July 18. On July 16, Chief Norris and the crew on Medic Engine 251 were pleased to support our neighbor FD to the east, Redlands, during their Badge Ceremony celebrating the promotion of Fire Chief Jim Drabinsky and numerous others of their personnel. On July 23rd we were one of a large number of emergency-response agencies that participated in a major Mutual Aid drill conducted at the San Bernardino International Airport.
